Re: Notice of Results of Investigation

Dear [REDACTED],

Neumiller & Beardslee serves as special counsel to the Stanislaus Regional Transit Authority ("StanRTA"). On behalf of StanRTA, I retained the services of [REDACTED] of [REDACTED] to conduct an independent investigation into allegations that former Chairman George Carr engaged in conduct that violated StanRTA's Policy Against Harassment and Discrimination. [REDACTED]. [REDACTED] was given access to all witnesses and documents at his request and no party interfered with or attempted to influence his findings or conclusions.

[REDACTED] completed his investigation and, applying a preponderance of the evidence standard, made the following finding with regard to the allegation concerning you:

1. Whether it is more likely than not that, sometime before the start of the May 25, 2025 StanRTA Regular Board Meeting, former Chairman George Carr told a joke referencing masturbation in your presence, in violation of the StanRTA Policy Against Harassment and Discrimination, which prohibits the telling of suggestive or obscene jokes in the workplace or work environment? *Sustained.*
2. Whether it is more likely than not that, sometime before the start of the September 25, 2025 StanRTA Regular Board Meeting, former Chairman George Carr told a sexual orientation-based joke in your presence, in violation of the StanRTA Policy Against Harassment and Discrimination, which prohibits the telling of sexual orientation-based jokes in the workplace or work environment? *Sustained.*

The Board of Directors has been presented with the results of the investigation and took steps to address the findings as appropriate. This notice completes StanRTA's handling of this matter, and the matter is now considered closed.

Given that this notice contains confidential personnel information concerning others, you are asked to maintain the confidentiality of the contents of this notice except as necessary to enforce your rights. If you have any questions about this notice or the investigation generally, you may contact me directly at (209) 948-8200 or ljimenez@neumiller.com.

Very truly yours,
